DENVER, CO 80217

* *

APPLE PI is an Apple user group, not affiliated with Apple Computer, Inc., and provides the following member benefits: monthly meetings, The Seed, The Disk Of The Month, access to the program library, and discounts at some Denver area stores.

DUES -

As of June 1, 1980, membership dues are $18 for one year. The application fee is $10. Checks should be made payable to APPLE PI.

MEETINGS -

On the first Thursday of each month at 7:00 p.m. APPLE PI holds its general meeting. The meeting is held at the Greene Center, Colorado School of Mines campus, Golden, Colorado. This meeting is a combination of an informational meeting, new product announcements and demonstrations, and a short business meeting.

On the first Sunday following the first Thursday there is a Swap Meet which is held at the home of a member and is usually decided upon at the general meeting. The Swap Meet is 10:00 a.m.-3:00 p.m. and gives APPLE PI members an opportunity to donate programs to the library, get disks from the library, and meet other club members in a more informal setting.

THE SEED -

The Seed, APPLE PI's newsletter, contains programming hints, current news, etc., written by members and is mailed free as a benefit of membership. Subscriptions are not available; back issues are available for $1.50.

THE DISK OF THE MONTH -

Each month a collection of the best programs donated to the club during the preceding month will be made available. The DOM can be purchased at any club meeting for $5, which includes the cost of the diskette. You may order it by mail by sending a stamped self-addressed envelope and floppy armor with your check.

LIBRARY -

APPLE PI currently has a library of over 4000 programs. All are available to any APPLE PI member and are in the public domain. Members can obtain copies from the library:

1) By coming to the monthly Swap Meet.
2) By written request to the librarian (at a meeting or by mail). When using this method, please include the following:

   a) Your name, address, and phone number.
   b) Disk Slice #('s) or type of programs that you desire.
   c) Copy fee.
   d) Instructions on how the disk is to be returned, i.e.; at the next meeting, by mail, etc. IF RETURN IS TO BE BY MAIL, BE SURE TO INCLUDE A SELF-ADDRESSED ENVELOPE AND FLOPPY ARMOR, OR $2 TO COVER SHIPPING COSTS.

3) By appointment with the librarian.

There is a $1 copy charge per disk side unless you donate programs at the same time. (If you donate a program it must be accompanied by a Program Submission Form.) Only complete disk sides can be copied. Please supply only initialized disks to speed the copying process.

The library is currently being totally reorganized and disks are being renumbered. During the reorganization period (expected to be completed during the second half of 1981) disks may be ordered by the old numbering system or by specifying the type of program you desire.

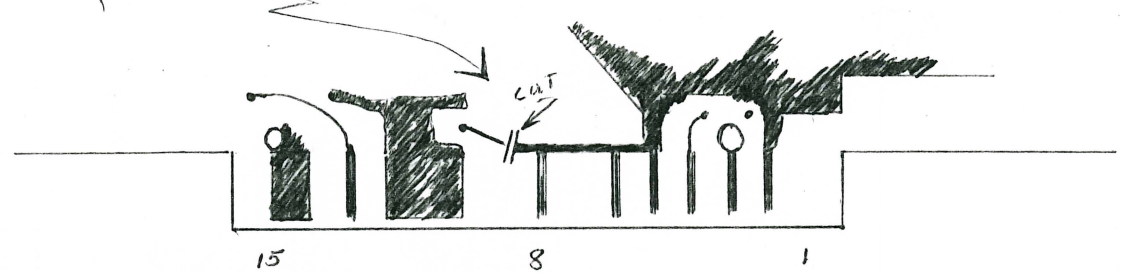
2. CUT SOLDER RUN between 8 & L ON bottom of ANALOG CARD



Dear Members of Apple Pi,

Well, almost a year ago I first heard about Apple Pi. I remember that I was somewhat hesitant at coming to a meeting. First of all I was 13 years old and wondered how people would react to me. Second, I had no way of getting up to the meetings at the Greene Center. Also, I was not sure I wanted to join.

Then I got a modem. At that time there were very little public boards. One was a Forum system, the operator was Dale Vaughn, he put me in contact with a man named Dave Larsen. Dave called me and asked me if I wanted a ride to a swap meet. I decided to go. There went one of my problems, transportation. The next month came around and Dave asked if I wanted to go to the meeting in Golden. I told him that I was not a member and he said that I could join then, so I went. When I saw how many people were there and saw a list of the club's library away went another problem, wanting to join. So I went and paid my $28. My first meeting went O.K. then the President said it was time for elections. I had no idea what he was talking about! I heard all the officers talking about their offices and what they had to do. People were nominated and elected. I told Dave that it would probably be fun to hold an office and you would be able to meet a lot of people. So, Dave nominated me for Officer at Large. About 8 people ran and I thought I would probably lose, but I did not, I won.

So I had to start planning all the swap meets, sounds easy, it's not. At first I depended on Craig for a lot, like lists of people to hold the meets. All 3 of them! Well after 10 monthes all the meets went as promised. More people volunteered and my job got easier. I also met a lot of people. In the future I think that the Officer at Large may be able to do a little more, but that depends on the people.

When I first came to Apple Pi I had 8 disks. I just finished cataloging all the disks I have now- 75. Quite a job in 10 monthes. About 98% of the programs on the disks came from Apple Pi and its members. For that I thank you.

I have enjoyed the last 10 monthes helping out Apple Pi with the meets. I guess this is the Officers report that the guy at the December meeting was asking for.

I would like to thank everyone in the group that has made it easy for a 14 year old kid to have a little fun in an Apple.

Thankyou,

Brad Handler
Officer at Large

APPLE PI USERS GROUP

P. O. BOX 17467

DENVER, CO 80217

As some of you already know, when you purchase an APPLE computer, you qualify for a free one year subscription to SOFTALK, which is a very good magazine relating to Apple computers. You can do this by sending your apple serial number to: SOFTALK
11021 Magnolia Blvd.
North Hollywood, Ca 91601

At the end of your free year, to renew you have to start paying $24.00 for a one year subscription - unless you can find someone who is a sponsor to sponser you, then the annual subscription is $18.00.

We would like to become a sponsor so that the club could sponsor its members, thereby providing another benefit to club members. In order for the Apple Pi club to become a sponsor, I have to send in everyones name and Apple serial numbers. If you would like to participate in helping the club become a sponsor, please provide your Apple serial number below your name at the bottom and return the bottom portion either by mail or at the October General Meeting on 10/07/82.

Thank You,

Fred Yates - Treasurer

APPLE SERIAL # _____

Thank you.

I am sorry that I have no back issues of the SEED to send you - I have made an adjustment in your renewal date to make up for this. You should receive SEEDS again starting in Sept.

8-17-83

APPLE PI COMPUTER USERS GROUP
P.O. BOX 17467
DENVER, CO 80217

Apple Pi would like to WELCOME you as a new member. For those old friends who are renewing their memberships, it's nice to have you around for another year!

Your membership card is enclosed. Remember that our monthly meetings are held on the first Thursday of each month at the Greene Center, Colorado School of Mines and Swap Meets are on the following Sunday.

Don't forget the other benefits you receive as a member of our club including discounts at member computer shops and on supplies sold at Club meetings and at Swaps, eligibility for door prizes when you attend meetings.

If you are a new member, you will be receiving two diskettess: a special newcomers diskette, and a double sided diskette containing a catalog of all the programs in the club library. These will be sent to you shortly by the Club Librarian, and may be updated regularly at monthly Swap meets.

You are also being added to the mailing list for the Seed, which you should begin receiving with the next issue.

Thank you for being a part of Apple Pi,

Dave Nelson

Dave Nelson
Secretary

Section 5. President. The President shall be the principal executive officer of the Corporation and shall in general supervise and control all of the business and affairs of the Corporation. He shall preside at all meetings of the members and of the Board of Directors. He may sign, with the Secretary or any other proper officer of the Corporation authorized by the Board of Directors, any deeds, mortgages, bonds, contracts, or other instruments which the Board of Directors has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the Board of Directors or by these Bylaws or by statute to some other officer or agent of the Corporation; and in general he shall perform all duties incident to the office of President and such other duties as may be prescribed by the Board of Directors from time to time.

Section 6. Vice President. In the absence of the President or in the event of his inability or refusal to act, the Vice President (or in the event there be more than one Vice President, the Vice Presidents in order of their election) shall perform the duties of the President, and when so acting, shall have all powers of and be subject to all the restrictions upon the President. Any Vice President shall perform such other duties as from time to time may be assigned to him by the President or by the Board of Directors.

Section 7. Treasurer. If required by the Board of Directors, the Treasurer shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the Board of Directors shall determine. He shall have charge and custody of and be responsible for all funds and securities of the Corporation; receive and give receipts for monies due and payable to the Corporation from any source whatsoever, and deposit all such monies in the name of the Corporation in such banks, trust companies or other depositaries as shall be selected in accordance with the provisions of Article VII of these Bylaws; and in general perform all the duties incident to the office of the Treasurer and such other duties as from time to time may be assigned to him by the President or by the Board of Directors.

Section 8. Secretary. The Secretary shall keep the minutes of the meetings of the members and of the Board of Directors in one or more books provided for that purpose; see that all notices are duly given in accordance with the provisions of these Bylaws or as required by law; be custodian of the corporate records and of the seal of the Corporation and see that the seal of the Corporation is affixed to all documents, the execution of which on behalf of the Corporation under its seal is duly authorized in accordance with the provisions of these Bylaws; keep a register of the post office address of each member which shall be furnished to the Secretary by such member; and in general perform all duties incident to the office of Secretary and such other duties as from time to time may be assigned to him by the President or by the Board of Directors.
